

STANLEY GUARD™

A compliant and cost effective solution to your Duty of Care – fully monitored by STANLEY Security.

WHAT DOES IT DO?

STANLEY Guard™ is a mobile phone application which provides personal security and assists in protecting potentially vulnerable people such as Lone Workers or any individual who could be at risk within their working environment.

Compatible with Apple, Android, Blackberry and Windows devices.

WHO NEEDS STANLEYGUARD™?

- NHS Field/Community Healthcare Workers
- Servicing and Maintenance Companies
- Haulage Drivers
- Courier or Express Service Drivers
- Utility Workers (Gas, Electric and Water etc)
- Security Guards
- Emergency Services
- Local Government
- Field Engineers
- Night-Shift Workers
- Anyone concerned about their Personal Security
